Vocalicious CONCERT

**A jam-packed show of
a cappella, duet & group
performances awaits!**

Music Recital Hall

WELCOME!

Who We Are

Vocalicious is SCU's largest all-gender a cappella group since 2018. We are a tight-knit family of students who come together to share their love of music and strong positivity with each other and our audiences. Started by students with a deep-seated love of the blues, the group has evolved into one that sings all genres.

Recently in February 2024, Vocalicious had the opportunity to perform at the International Championship of Collegiate A Cappella (ICCA) West region quarterfinals, an experience that we will never forget and plan to continue pursuing for future years!

Our members are talented, hardworking and supportive, and with them we bring a diversity of genres, styles, and artists to show how powerful a cappella can really be!

About The Show

This is our very first individual concert! The theme of this show is “the past, present, and future of Vocalicious.” We chose this theme because in our experience, we have grown in 3 big ways:

- 1) We have grown to have a large music library (which we will be sharing with you tonight)!
- 2) We have grown our capabilities and are constantly pursuing new challenges!
- 3) We have grown as individuals, which is why tonight’s concert will showcase individual acts for the first time!

This growth has taken us on a journey that we are so excited for you all to see!

Support Vocalicious!

Thank you for joining us tonight and being a part of our journey! Enthusiasm and support from our community inspires us to keep doing what we do.

Your support also enables us to continue and pursue challenges that help us grow (ICCA 2025, anyone?), but most importantly, it helps us to continue to create and sing the music we love!

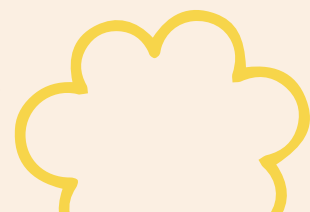

If you want to support us further, we encourage you to donate using the Venmo QR code here! (proceeds go to our Treasurer, Anthony Ryan)

MEET THE VOCA VOICES

Clayton Baldwin, Bass

Clayton is a junior Finance major and Music minor, and is one of our lovely co-presidents! A fun fact about Clayton is that he loves playing tennis. He has enjoyed serving as Vocalicious' co-president this year and all the shows and socials in between. He can't wait to see where we go next!

Kenton Swanson, Tenor

Kenton is a senior with a major in Mathematics and a minor in Computer Science, and is currently one of our amazing co-presidents. Our fun fact for Kenton is that he owns a Shiba Inu named Daisy "that I love with all my heart" - Kenton. He appreciates how far we've come, and is truly glad to have served as co-president this year.

Anthony Ryan, Tenor

Anthony is a senior majoring in Electrical and Computer Engineering, and is our treasurer this year. One tidbit about Anthony: Not only is he the oldest member of Vocalicious, he is the biggest Vulfpeck fan at SCU. He hopes you have a great time at tonight's show!

Nicolas Gibson, Bass

Nicolas is a sophomore majoring in Web Design and Engineering, with minors in Computer Science and Graphic Design. He is currently the Social Media Manager for the team! One fun fact about him is that he has a tiny, bossy pomeranian named Ruby, who he loves a lot! He thanks you for being here, and hopes you enjoy the show!

Keanu Dayton, Baritone

Keanu is a senior studying Mechanical Engineering, and is one of our two social co-chairs. Some fun facts about him: His sister's name is Reaves (you do the math), and he likes anything in the water. At SCU, he's also involved with SCU Hawai'i club & their 2024 Lū'au event—dancing onstage and leading choreography too!

Maisie Lopez, Alto

Maisie is a senior majoring in General Engineering and Studio Art, and is our second social co-chair this year. One fact about her is that she has recently displayed her artwork in the Senior Art Exhibition in Dowd! She thanks you for being here to support us, & is excited for you to see what we can do!

Annie Yaeger, Soprano

Annie is a sophomore Sociology major, with studio art and math minors, and is our current external coordinator. One fun fact about her is that she went to Italy this summer. She hopes you enjoy the show!

Shayna Fallin, Soprano

Shayna is a junior majoring in Biology with a Musical Theatre minor, and is our internal coordinator. An interesting fact about Shayna is that she is a tap dancer and actor, and is heavily involved with SCU presents and all the amazing shows they put on for many to watch.

Kacey Kim, Tenor

Kacey is a junior with a Studio Art major and a Graphic Design minor. One fun fact about her is that she has "a huge love/obsession with fashion". She's excited to show you what Voca can do!

Dave Hock, Beatboxer

Dave is a junior majoring in Management. He's been involved in music all his life. He played piano since he was 6, bass since he was 12, and he started beatboxing and producing music at the age of 14. He's performed at KSCU Sonic Bloom and SCU Jazz Combos, and is part of the Farmer Nick & the Crater Haterz rock band.

Liv de Jounge, Alto

Liv is a sophomore with majors in Economics and Political Science and a minor in International Business. Vocalicious is her first a cappella experience, and she joined because she's always loved singing, but hated choir. So far, she says being a part of Voca has been so much fun!

Samuel Smith, Tenor/Bass

Samuel is a 3rd year senior with a CSEN major. Although he joined Voca on a whim, he can't imagine his experience at SCU without it anymore. Currently, a favorite artist he's listening to is Yung Gravy, and his words of wisdom for the audience: "When you like something, making time is easy".

Gabriel Symkowick, Baritone/Bass

Gabriel is a sophomore, majoring in Communication and undeclared Business. An interesting fact about Gabriel is that he's traveled to Honduras a whopping 6 times! He thanks you for your support, and hopes you enjoy the showcase!

Eliza Maxfield, Soprano

Eliza is a freshman with an Economics major. She sang "Crazy" by Patsy Cline and "Jolene" by Dolly Parton for her Voca audition. Eliza is also a hard-core Billy Joel fan. She hopes you enjoy the show tonight!
